# I really liked / enjoyed ...

- the time with family, food, trips and the concert
- singing as a choir together,
- singing with the Italian choir and getting to know all the new people. I also really liked spending time with my host family. city Milan and lake Como
- the concert in Teatro Dal Verme
- I really enjoyed the whole project. Including the 14 hours bus journey. :)
- I enjoyed all the concerts we've been to, it's been an unforgettable experience for me.
- the squirrels in Monza - they were really cute and definitely not as timid as the ones in Czech Republic.
- collaboration among the students, rehearsal, and the final outcome- the concert, cultural events, exploration of the country, trips

# I have learnt ...

- lots of things about Italian culture
- many new songs and some new things about Italy
- a lot about the Italian culture and something about the school system in Italy
- a lot of food rules in Italy - pasta done in a sweet way is forbidden, coffee with milk only in the morning
- to manage tasks and resolve situations, take charge in certain situations
- that I can withstand uncomfortable situations
- not to be so stressed about meeting new people

# Would you recommend this project to your schoolmates?

- I would definitely recommend.
- It was an enjoyable experience
- You'll always meet some interesting people.
- Yes, get out of your comfort zone.
- We made friends, practiced a lot of English.

# What advice would you give to other students considering participating in exchange programs?

- That the experience is worth it.
- Be open , go for it!
- Don't be afraid to ask and communicate. Even though your English is not the best
- Enjoy the week to the fullest and make the most of your time, talk to everyone you wish to meet and don't be afraid to approach anyone. Try all of the local specialities and admire the sights
- Don't be scared to do it! You will not regret it. And try to communicate with as many people as you can
- Go for it! It's incredible opportunity that may not be repeated. Don't be scared because of people everyone in project want the same-talk and know each other and different cultures etc. You will enjoy it and you'll never forget the week! I can promise that!

# What was your most memorable moments from the exchange program?

- Concert
- Every moment of this trip, but the most memorable moment for me was when we were singing the last song with Italian choir together
- Our final concert was the best
- Probably when we all were singing Va pensiero on our final concert, when me and my friend were sitting in front of the Milan cathedral while listening to Italian street artist.
- Entire week was amazing but visits of Lake Como and Milan were something a bit special.
- I think the visit to Como and also the whole afternoon on Thursday in Milano with my friends. Also the concert in Teatro Dal Verme was breathtaking as much as the cathedral in Milano.
- the trip to lake Como or the concerts in Milan
- I really enjoyed the visit of the cathedral - especially when we went to the roof and we could see a wonderful view
